CREATING MAGICAL MEMORIES

...ON YOUR WEDDING DAY

First of all, congratulations on your engagement and the upcoming wedding; this has to be one of the biggest days of your life. There is so much to organize and plan, from the choice of venue, photographer, thinking about having a videographer, a piper, or even some sort of doughnut and crisp stand, what else am I missing.... ahh yes, **ENTERTAINMENT!**

YOUR WEDDING MAGICIAN

So many people underestimate having some form of entertainment at their wedding especially in the afternoon as they feel that it is not needed but having years of experience, I truly think it does.

I can mingle with all your friends and family, remove boredom during these times, break the ice with certain groups who might not know each other, and make your wedding unforgettable!

Having an award winning magician at your wedding will not only enhance the day but something your guests won't stop talking about.

...YOUR WEDDING HOST

As your host, I am here to give you a stress-free day, I take care of the running order of the day so you can sit back, relax and enjoy the wedding you have always dreamed of.

From greeting the guests on arrival to delivering the announcements in a showman like fashion, adding a modern twist to the toastmaster role, no red jacket or white gloves will be required, or leaving it to the staff at the venue to do a bog standard job with announcing the newly married couple into the wedding breakfast. What you need is the VIP treatment.

Along with making sure your wedding day runs perfectly, you will have world class entertainment that your guests will rave about long after your wedding.

LET ME INTRODUCE MYSELF

...WHO AM I?

Hello, I'm Sean, a professional magician and host who has performed all over Scotland since 2018, something the 8 year old me would have never thought possible. From a very young age, I knew I wanted to entertain people but I never thought it would be through magic.

I never had an interest in magic whatsoever, yes I heard of David Blaine and occasionally watched 'The Masked Magician' on TV but it was not something I ever thought I would do myself.

That all changed when I was 22 years old when I first watched Dynamo. I picked up a pack of cards and the rest is history.

Moving forward to this present day, I'm a full-time magician who travels all over Scotland and England specialising in weddings, corporate events, and private parties. With 5-star reviews on Facebook and Google, performing at hundreds of weddings, and being recommended by couples, suppliers, and venues, your entertainment is in the safest of hands.

I am extremely proud to say that I am a member of the world-famous Magic Circle. I also won the Confetti Wedding Awards 2024 for Best Specialist Services, I love what I do and want to make sure that I create memories that will last a lifetime.

THANK YOU FOR CONSIDERING ME AS YOUR
ENTERTAINER & MASTER OF CEREMONIES.
